DANCE!

A dynamic stage scene featuring a variety of colorful spotlights. Yellow, green, red, and blue beams of light radiate from the top, creating a high-energy atmosphere. On the dark floor, there are several illuminated patterns: two yellow roses, two blue swirls, and two red stars. The text "Dance Battle!!" is centered in the middle of the image in a black, handwritten-style font.

Thriller by Michael Jackson

A black and white photograph of three women in black leotards and high heels, striking dynamic, dance-like poses. They are positioned in a row against a dark background with a spotlight effect on the floor. The woman on the left is in a wide stance, looking back over her shoulder. The woman in the center is also in a wide stance, looking to the side. The woman on the right is in a more compact pose, looking down. The word 'Video' is written in a large, white, serif font at the bottom center of the image.
